

Printing Instructions

1. Open your browser on your personal device and enter the PrinterOn URL, <https://www.printeron.com/>. If you don't know the URL, search the PrinterOn directory
2. Follow the directions for uploading your document
3. After submitting your document a release code will be displayed
4. Enter this code on the keypad located at the printer to release your documents
5. For additional support you may email your request to concierge@thestatlerdallas.com
