

STATLER NESPRESSO COFFEE MAKER

Nespresso Grands Crus are developed to satisfy the most discerning palates, sourced from the finest coffee growing territories around the world and used with machines that deliver exceptional coffee, cup after cup. Please see the operating instructions card located in the coffee pods box for assistance.

ALTISSIO

Full-Bodied and Creamy

This highly roasted full-bodied Espresso is made with Arabicas from Costa Rica and South America. The hint of Robusta contrasts with smooth cereal notes. The addition of milk complements its natural full body.

DECAFFEINATO

Round and Malty

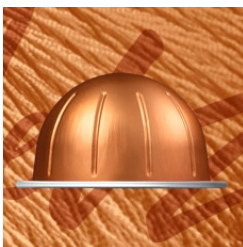

Created from Costa Rican and South American Arabicas, the Decaffeinato blend is deliciously rounded and smooth. This Coffee is rich in flavor, with generous malted and cereal notes. The addition of milk establishes a new balance of flavors, releasing notes reminiscent of fresh nuts.

HAZELINO

Hazelnut Flavored

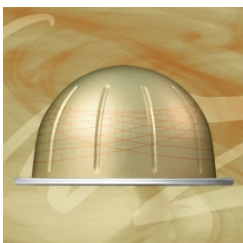

A blend of slightly roasted Brazilian and Central American Arabicas infused with a hazelnut flavor which creates a smooth, balanced Coffee that is sweet to the taste with a distinct, nutty aroma. Adding milk gives a praline note to the original hazelnut flavor.

MELOZIO

Smooth and Balanced

Fine quality Brazilian Bourbon and Central American Arabicas are lightly roasted to create a rounded coffee that is smooth and perfectly balanced. Adding milk opens up the softer, sweeter sides of the coffee, enhancing the biscuity notes.

VANIZIO

Vanilla Flavored

The flavor of vanilla brings a velvety layer of taste to the roundness found in this smooth and balanced blend of Brazilian and Central American Arabica coffee beans. With milk, Vanizio becomes creamy and biscuity, for a gourmand break.
